INTRODUCTION

ANNE MARIE JAVOUHEY FOUNDRRESS OF THE SISTERS OF ST. JOSEPH OF CLUNY

The glory of God was the consuming desire of Anne Marie Javouhey, the Foundress of Sisters of St. Joseph of Cluny. It was her loving response to God who had chosen, prepared and sent her to live the Gospel and make known His Will throughout the world.

“May God be glorified in all things and everywhere”.

*Foundress of the
Sisters of St. Joseph of Cluny (1779-1851)*

Anne Marie Javouhey's life's work revealed that she had a very clear vision of all people as children of God. She believed that all are fundamentally equal and they have the right to human and spiritual formation. She understood that education consists in helping persons “to be more”. Anne Marie's daughters, the Sisters of St. Joseph of Cluny are imbued with the same Charism of their foundress - helping the women and children to grow, to improve and “to be more” in every field, human, social, educational and medical.

Thus her wonderful story continues here through the sisters and through the staff and pupils of Cluny Women's College, Kalimpong.

CLUNY WOMEN'S COLLEGE

A BRIEF HISTORY

Cluny Women's College is a West Bengal Government Aided, Christian Minority Degree College Affiliated to North Bengal University and recognized by UGC Under Section 2(f) and 12 (B). The College was established by the Registered Society of the Sisters of St. Joseph of Cluny in 1998.

The services rendered to the cause of Education by the Sisters of St. Joseph of Cluny are unparalleled in the districts of Darjeeling and Kalimpong. The education imparted by the Sisters has produced an educated leadership in the Church, Society and the Government. It has opened new vistas of knowledge to all. They served the cause of education as none else did. The methods they used, the values they cherished, the commitments they made, the convictions they maintained, the humiliations and hardships they willingly suffered, and above all their love and passion for the people remain a source of inspiration even today. The roots of Cluny Women's College are not limited to its date of physical establishment. For the college bears the legacy of centuries of unselfish sacrifices in the field of education by the Sisters of St. Joseph of Cluny. It is an epitome of the Cluny Philosophy of life as practiced and preached by Blessed Anne Marie Javouhey. The college is a living example of the cherished words of Blessed Anne Marie Javouhey – 'To do a Little Good.'

The aim of the College is to give Education up to the highest University standard, which would include the imparting of sound learning, the building of character and the spread of spiritual truth and knowledge of God. Students on their part are expected to do their best to attain that harmonious development which will make them worthy citizens of a great nation sincerely committed to God, home and country.

VISION OF THE COLLEGE

“An educated woman makes an educated family.”

In keeping with this view, the motto of the college is “Tamaso ma Jyotirgamaya” which means where there is darkness, spread light. The college strives to offer fullness of life and to assist the students to transcend themselves to a realm of creativity.

MISSION OF THE COLLEGE

- Following Jesus our Divine Guru, inspired by Anne Marie, the Educator, we give priority to witnessing and developing Gospel Values of liberty, fraternity, dignity of the person, peace and non-violence, justice, forgiveness and compassion.
- We aim to become a centre of excellence in Higher Education as well as aspire to develop students of sound intellectual calibre.
- Through our Educational system, we strive to uplift socially and economically backward students to improve their self-image and make them attain responsible positions in society.
- To promote Gender equality through higher education among women.
- To initiate more job-oriented/vocational programmes in the future.
- To consciously promote environmental awareness.

We as an institution seek to realise such a mission with the following policies, means and methods:

- Implementation of the objectives of National Education Policy, 2020.
- Strengthening Industry-Academia interface.
- Supporting alliance and endorsing inter-institutional exchanges to pave the way for qualitative research.
- Exploring ways to improve Internal Quality Assurance Mechanism.
- Incorporating multiple avenues of teaching-learning interface since the Pandemic.
- Encouraging community development programmes.
- Integrating curricular activities, mostly project works, with a view to identify problems in the neighbouring locality.

OUR OBJECTIVES

- Produce graduates with an all-round development and skill enhancement.
- Develop attitudes of respect and responsibility towards the environment.
- The graduates will be able to earn their livelihood and help develop the society in which they live.
- The graduates will form a conscious and empowered community.
- Promote a positive attitude to health and life.

The Sisters, Staff, Students, Parents, Benefactors and all stakeholders share the responsibility to contribute to the total educative process.

BACHELOR OF COMPUTER APPLICATIONS (BCA)

A Bachelor of Computer Applications (BCA) degree is a 4 years undergraduate academic program in the field of computer science and information technology. Bachelor of Computer Application (BCA) degree provides a comprehensive undergraduate program designed to equip students with the knowledge and skills necessary to thrive in today's digital age.

Through a well-developed curriculum, students will obtain a strong foundation in important subjects like programming, data structures, algorithms, Artificial Intelligence and computer systems at Cluny Women's College's B.C.A. course, which offers a degree from the University of North Bengal. Additionally, students will learn how to develop cutting-edge software applications, effectively manage databases, design attractive websites, and make sure computer networks run without a hitch.

Our program places great emphasis on both theoretical knowledge and hands-on practical experience. Students will have ample opportunities to apply what they learn in real-world scenarios, honing their problem-solving skills and fostering creativity. With access to state-of-the-art computer labs and cutting-edge technology, students will be well-prepared to meet the challenges of the ever-evolving tech industry.

Upon completion of the BCA degree, students will be equipped with a diverse skill set that opens up a world of exciting career prospects. The BCA degree opens up various career opportunities for graduates in both the public and private sectors, whether they aspire to become a software developer, web designer, database administrator, system analyst, or IT consultant, this program will pave the way for a rewarding professional journey.

BACHELOR OF COMMERCE

Bachelor of Commerce (B.Com) is a 4 year undergraduate honors degree program in Commerce that offers in-depth knowledge and specialized study in various aspects of business and finance. It is designed to provide students with a strong foundation in accounting, economics, finance, taxation, management, and other related subjects.

The B.Com course focuses on developing analytical and problem-solving skills, as well as providing practical exposure to the business world. Students learn about financial management, auditing, cost accounting, business law, and corporate governance, among other topics. The curriculum is often updated to align with industry trends and practices.

During the course, students are encouraged to participate in internships, industrial visits, and workshops to gain real-world experience and enhance their employability. They also develop skills in communication, critical thinking, and teamwork, which are essential for a successful career in commerce.

Upon completion of the B.Com program, graduates have a wide range of career opportunities available to them. They can pursue professions such as financial analysts, accountants, tax consultants, business consultants, investment bankers, and auditors. Some graduates also choose to pursue higher education, such as an MBA or professional certifications like CA (Chartered Accountant) or CMA (Certified Management Accountant).

A STUDENT'S DAILY LIFE AT CLUNY WOMEN'S COLLEGE

As the human eye looks into space, it is limited to a few miles of vision and we can see only what is immediate and within reach. Yet, like an astronomer looking at space we know that – beyond what is immediate and within reach stretches an infinity of time and eternity, because time and space are both segments of God's creation.

Therefore my life, time and the space I have daily are most important for me here and now and for never-ending Eternity.

Therefore we use carefully:

(a) Our Life (b) Our time (c) The space in which we operate

Cluny Women's College has devised a careful plan for pleasant, diligent and constant work at spiritual, academic and material development of the Staff and Students of the College. Here are some simple instructions to be followed by all students.

1. College Class hours are from **9:00 am onwards**.
2. Students who have completed classes **may not leave the College campus before 2:00 pm**. Exceptions always arise, so each student is free to appeal to the authority concerned.
3. **Free time in College is meant to be used wisely and maturely.**
4. Students are expected to **use the Library daily** for growth in knowledge and Research.
5. a) In the 4/3-year Undergraduate Semester system, the Undergraduate Examinations will be held in eight parts:
 - (i) First & Second Semester for the first year students, The Third & Fourth Semester for the second year students, Fifth & Sixth Semester for the third year students and Seventh & Eighth Semester for the Fourth year students.
 - (ii) The academic sessions including the examinations for first, third, fifth and seventh semesters are July to December and that for second, fourth, sixth and eighth semesters are January to June

b) A candidate to be eligible for appearing in any of the Semesters of UNDER-GRADUATE Examination must have minimum 75% attendance and should appear in all internal assessments.

Award of 05 (five) marks on class attendance shall be given in the following manner:

Attendance of 75% and above but below 80%	- 02 marks
Attendance of 80% and above but below 85%	- 03 marks
Attendance of 85% and above but below 90%	- 04 marks
Attendance of 90% and above	- 05 marks

6. Inquiry, Grievance and Redressal Cell: Students at times may not be able to express their problems freely. At Cluny Women's College, we earnestly want to offer a helping hand to a faltering sister. We encourage our students to tap the riches of our Cluny College Family to use the Inquiry Box and await our reply. Each week the box will be opened and problems attended to.

7. Health Practices: The College invites student's feedback and also provides them with guidance and counselling

8. Extra-curricular Activities such as Seminars, Debates, Cultural activities, N.S.S. programmes etc. are conducted from time to time and students are expected to take active participation.

9. Uniform saree should be worn on special occasions.

10. Use of Mobiles in the College building and premises is permitted only for study purposes under the supervision of teachers.

11. Appropriate rules regarding postings in social media must be strictly observed. If required recourse to legal action may be taken against those who violate this rule.

12. Students must compulsorily be present on the first day of opening of the college after vacations and on the last day before commencement of vacations.

13. As per UGC Regulations on curbing the menace of ragging in higher educational institutions, 2009 (under section 26(1) (g) of the University Grants Commission Act, 1956, ragging is strictly prohibited in this college. Anyone found guilty will be liable to punishment. The Anti-Ragging squad of the institution will observe and maintain necessary discipline in classrooms. All students must compulsorily fill in the Anti-Ragging Affidavit online and submit a copy of compliance to the college office.
